Advertising Opportunities on OpenNTF hosted Sites

The www.OpenNTF.Org site receives over 250,000 page views on a monthly basis from tens of thousands of Lotus developers around the world. OpenNTF is one of the most trafficked sites on the web for Lotus Notes and Domino developers.

OpenNTF has three advertising opportunities that are available:

1. Site Wide Banner Ad – OpenNTF.Org

A 468 x 60px banner ad that appears at the top of all pages on the OpenNTF.Org site.
This ad is available for $750/month.

2. Sidebar Ad – OpenNTF.Org

A 180 x 150px ad that appears in the sidebar of pages on the OpenNTF.Org site. For most pages the ad appears in the right sidebar, for the project management pages it appears in the left sidebar.
This ad is available for $750/month.

3. Site Wide Banner Ad – XPages.info

A 468 x 60px banner ad that appears at the top of all pages on the XPages.info site.
This ad is available for $250/month.

Advertisers can reserve ads for up to 3 consecutive months. After 3 months other advertisers will be offered the opportunity to advertise. If there are no other companies requesting the ad spaces, the spaces will be made available to the current advertiser(s) for an additional 3-month period.

Ads will be accepted from companies and organizations that support the promotion of Lotus products and services as well as those of OpenNTF.org. The OpenNTF Alliance reserves the right to refuse any ad.

Contact adsales@openntf.org if you are interested in advertising.
